English Proficiency Evaluation Test

A component of enrolment through AISA is the requirement for each student to complete an **English Proficiency Evaluation Test (EPET)**. The EPET is completed by a registered teacher from Adelaide International School (AIS) either at AIS or online using Zoom.

A student cannot pass or fail the EPET as it is designed to identify a student's current level of English proficiency and to determine the length of English for Academic Purpose they require before entering a mainstream Australian classroom.

Once completed the EPET is attached to this application and forwarded to the destination school.

The EPET is free where a student is successfully enrolled into an AISA school.

Should a student withdraw their AISA application, or their visa is rejected, a recovery fee will be payable.

It is important for students to ensure their availability for a scheduled EPET.

All students will be sent a Zoom invitation that will include instructions for the student to follow to access the EPET assessment and it will identify an Adelaide, Australia time. It will be the responsibility of the student to ensure they convert the time to their home country. Where a student does not attend their scheduled EPET, or is more than 15 minutes late, the EPET will be rescheduled and a rescheduling fee applied of (AU) \$100.00

The EPET will only be delivered:

- using a PC / laptop and not a mobile telephone.
- in a confined room and not in an open area, factory environment, outdoors space, etc. The EPET administrator will advise if the environment is appropriate.
- where there is no other person in the room other than the student.

The student:

- cannot use a dictionary or any other device or book.
- must have a blue or black pen and 2 pages of A4 paper.

Failure to comply with the above will result in the EPET being rescheduled and a rescheduling fee applied of (AU) \$100.00.
